REPORT AND RECOMMENDATION  
OF THE UNITED STATES MAGISTRATE JUDGE

---

The Magistrate Court submits this Report and Recommendation to the District Court pursuant to 28 U.S.C. § 636(b)(3). This case has been referred, by order of the District Court, to the United States Magistrate Judge for the taking of a felony guilty plea and the Federal Rule of Criminal Procedure Rule 11 Allocution. All parties executed a waiver of the right to plead guilty before a United States District Judge as well as a consent to proceed before a United states Magistrate Judge.

On September 27, 2002, the defendant and counsel appeared before the Magistrate Judge, who addressed the defendant personally in open court and informed the defendant of the admonishments under Rule 11 of the Federal Rules of criminal Procedure and determined that the defendant was competent to plead guilty and fully understood said admonishments.

The defendant agreed to plead guilty to the Indictment (violation of 8 USC 1326(a) and 1326(b)). No plea agreement was entered. The Court explained to the defendant that he would be subject to sentencing pursuant to the Sentencing Guidelines promulgated by the United States Sentencing Commission. The Court also explained that parole had been abolished and that the defendant could receive a term of supervised release. The Court explained the range of punishment with regard to imprisonment, fines, restitution, supervised release, and the statutory fee assessment pursuant to the Victim of Crime Act.

The Magistrate Judge finds the following:

1. The defendant, with the advice of his attorney, has consented orally and in writing to enter this guilty plea before the Magistrate Judge, subject to final approval and sentencing by the District Judge;
2. The defendant fully understands the nature of the charges and penalties;
3. The defendant understands his constitutional and statutory rights and wishes to waive these rights;
4. The defendant's plea is made freely and voluntarily;
5. The defendant is competent to enter this plea of guilty;
6. There is an adequate factual basis for this plea; and

### Recommendation

The Magistrate Court RECOMMENDS that the District Court accept the plea of guilty and, after reviewing the pre-sentence investigation report, enter final judgment of guilty against the defendant.
